1. Uniforms of Rumanian Militia officers are light grey in color, with buttons of a light greyish blue. The coat has four pockets and is open at the neck; ordinary military boots are used. The cap ornament consists merely of the initials "R.P.R." standing for Rumanian Peoples' Republic. The color of the ribbon band around the cap indicates arm or branch of the officer wearing it. Officers wear brass buttons on the cap.
2. Non-commissioned officers wear essentially the same uniform, though the cloth is of poorer quality. They also wear the "R.P.R." cap insignia. However, their cap buttons are grey instead of brass.
3. Officers of the Securitate have very similar uniforms. The material is likely to be of better quality. Some of them also wear a khaki uniform.
